Summary

With over 17 years of experience in both front-end and back-end development, I specialize in the back-end development of distributed systems and optimizing teamwork efficiency. I thrive on tackling complex tasks and embracing challenges.

Skills: Software Design, PHP, MySQL, Elasticsearch, Python, Go, Linux, DevOps, Teamwork

Experience

Lead Software Developer (Search) CHECK24 (Munich, Germany)

Jun 2018 - Present

- Scaled and significantly enhanced search quality, handling 5 times more queries and 10 times more documents.
- Successfully integrated machine learning (ML/LTR) models, contributing to improved search performance.
- Achieved uptime of 99.999%, ensuring reliable service availability.
- Streamlined coordination and organization within a growing development team, enabling faster feature delivery beyond stakeholder expectations.
- Efficiently took over the responsibilities of another development team, optimizing resource allocation.
- Effectively resolved conflicts of interest among stakeholders.
- Led corporate training initiatives on Elasticsearch as part of a dedicated team of trainers.

Senior Web Developer Gessulat + Gessulat (Munich, Germany)

Apr 2015 - May 2018 (3 years 2 months)

- Implemented WordPress as the primary CMS for new projects.
- Introduced modern development practices, including CI/CD.
- Ensured the work of projects under high load during advertising campaigns.

Software Developer INOSTUDIO | Web and mobile development (Taganrog, Russia)

Apr 2007 - Jan 2015 (7 years 10 months)

- Successfully delivered over 25 projects, including browser plug-ins, social networks, marketplaces, and internal start-ups.
- Played a key role in establishing the engineering culture in a rapidly growing company, joining as one of the initial developers.
- Trained and mentored 20+ developers, cultivating their skills and knowledge.
- Proficiently collaborated with remote and distributed international development teams, ensuring efficient workflow.

- Developed the ability to address customers' business challenges by providing solutions beyond coding.

Education & Certifications

Southern Federal University (former Rostov State University) (Taganrog, Russia)

Specialist degree, summa cum laude. Computer Science 2002 - 2007

Zend Certified Engineer

ZEND013795 (2011)
